We the class of 1961 proudly

Delta Local School

Delta, Ohio

Mrs. Hazel Johnson was born in Lyons, Ohio. From there she moved to Delta, where she was later graduated from Delta High School.

Mrs. Johnson has attended the University of Wisconsin, the University of Toledo, and Sue Bennett College in Kentucky. In 1932, she received her Bachelor of Arts degree from the University of Kentucky. She has also studied at Durham University in Durham, England, during a European tour in 1959.

Mrs. Johnson has been teaching school for forty-four years. Her profession started in a one-room country school near Delta. She has also taught at Klamath Falls, Oregon, and London, Kentucky. We are proud to say that Mrs. Johnson has been teaching at Delta High School for twenty-seven years.

Mrs. Johnson has spent much of her spare time directing class plays and coaching championship debate teams. She has also worked earnestly to help her students in English.

Mrs. Johnson's students have all been proud of their English training gained under her gentle, guiding hand.

We are all sorry to see Mrs. Johnson leave, but she will be long remembered for the many things she has done for our school.

We the class of 1961 proudly dedicate this yearbook to Mrs. Johnson.

Board of Education

Seated: Dr. Robert Blair; Pauline Sindel, clerk; Don Williams; Dr. Robert Moss, president; Paul Robinson, vice president; Clifford Shelt.

Our Board of Education has been very busy this year, as usual. Besides solving the routine problems, the board authorized the following important items: the installation of two new boilers, the purchase of several new books for the library, new lights for the offices, the painting and redecorating of several rooms in the high school wing, and the purchase of new equipment for the science, home economics, and commercial departments.

Certainly we all agree that the Board of Education deserves our appreciation and thanks for the fine job it is doing.

Juniors at movies, swimming at the YMCA, and various other places in the city.

And, Saturday, after the ship-loading, we went to a party given by the business world of the city. At the party between Army and Navy, the girls were in the Marine uniforms. At 3:30 a. m. we took the 41 train, and I wish had time to write for the long, exciting, and anything but quiet journey home.

This year the Student Council was under the direction of Mr. Boy.

Some of the council's activities included renewing membership in the Association of National Student Councils, planning the annual Homecoming, and attending the "Safety Council" at Bowling Green State University.

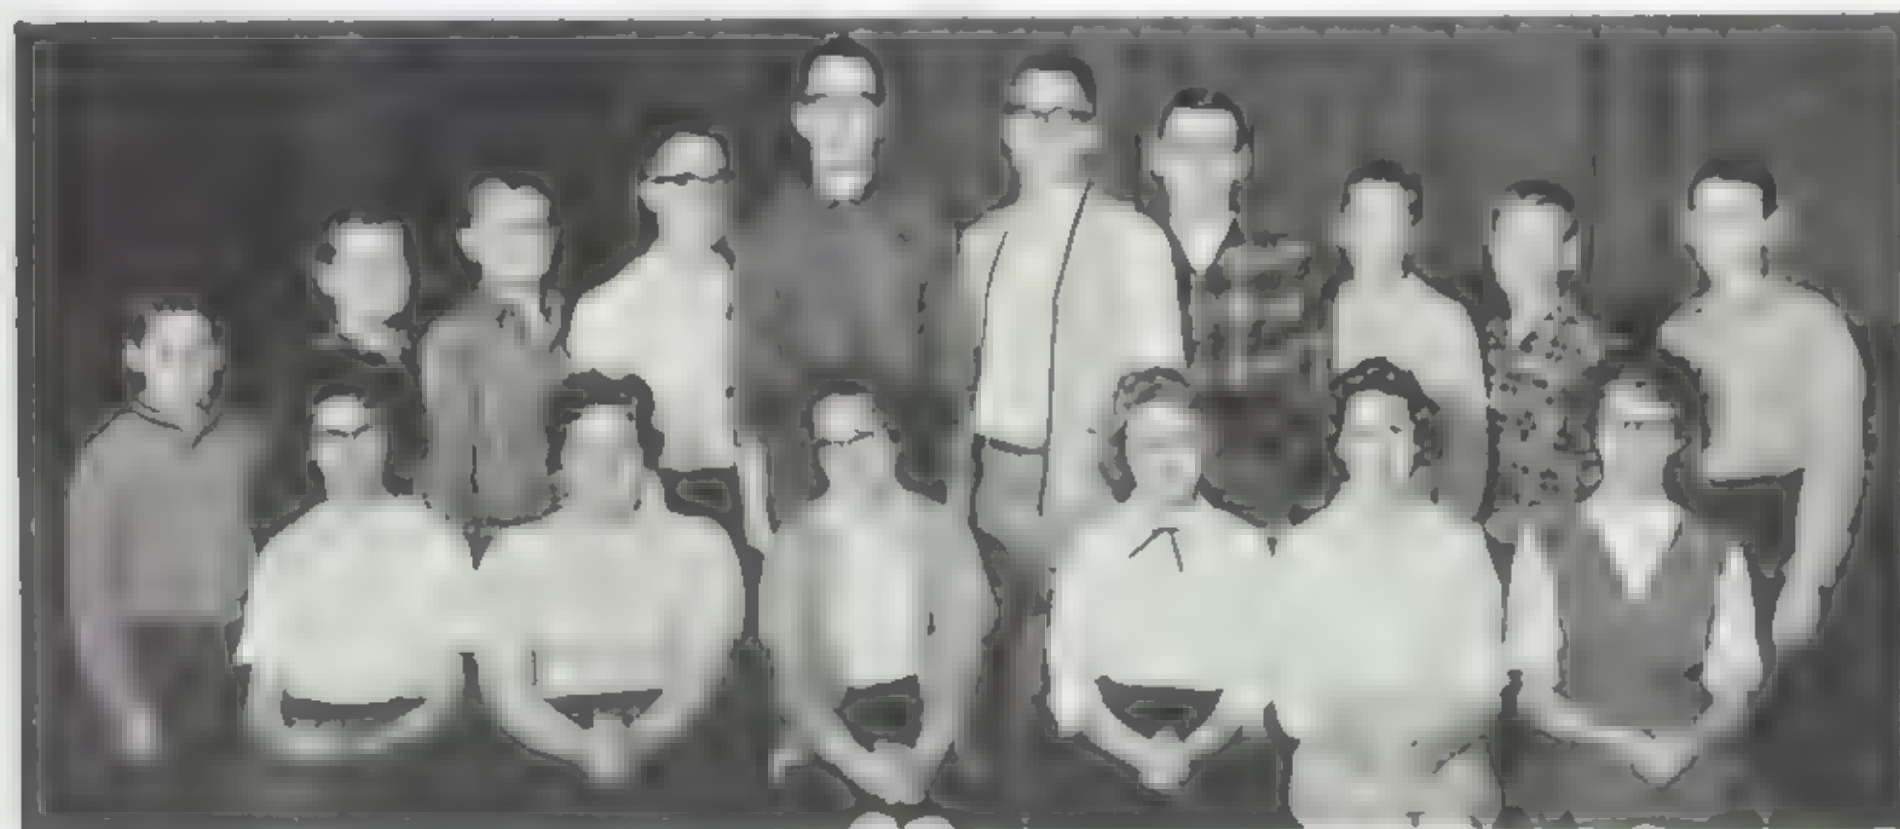

We would all like to join in to congratulate the council's President, Jim McDonnall, and all the members for doing a fine job, making Delta High School a finer place to attend.

The first new member was Mr. John Schwartz. During the first semester, when he was in the chorus, he was the only one of girls but later he had some friends and was in the chorus.

One of the best times was when we were in the chorus which was enjoyed by all that are in the chorus. Mr. Schwartz had to take the girls' chorus to the annual meeting with the first in the chorus for many years.

Mr. Schwartz as the first in the chorus and a very good one.

Queen Kathy

was an exciting game and the crowd was in the stands. This was the first time the game was played in the new stadium. The weather this year was pleasant and a huge crowd attended the game. All the students and faculty were not dampened.

At half time Queen Kathy gave her acceptance speech for being elected Homecoming Queen and invited everyone to the homecoming dance. Her attendants were then serenaded by the band to the tune "Let Me Call You Sweetheart."

The Homecoming Court consisted of: Miss Janet McDonald escorted by Terry Gonsinger; Sophomore attendant Miss Sue Forrester escorted by Jim McDonnell; Junior attendants Miss Carol Hill escorted by Terry White; Miss Patricia Hill escorted by Jerry Gonsinger; and attendants Miss Connie Fisher escorted by Ken Hupple; Miss Marleen Onweller escorted by Roger Morr. Billy Schrock acted as crown bearer.

The Homecoming Court then escorted the very lovely Homecoming Queen, Miss Kathleen Whitmire. She was escorted by William Segri. Kathy was attired in a beautiful floor-length white gown and carried a bouquet of flowers. Her escort was the last year's Queen, Miss Mary Galsatz. Queen Kathy and her escort then led the grand march.

This year the Senior Class Play will be given on April 7, 1961. The name of our class play is "Everybody's Getting Married," by William Russell Moore.

Reginald Arvey receives a letter from his lawyers announcing he is the sole heir to his Aunt Agatha's million dollar estate on certain conditions.

It seems that his aunt had operated a Matrimonial Bureau and had on her books the names of six women for whom she had contracted to find husbands. The terms of the will now require that he fulfill this contract within one month from the time that the money was received. Otherwise the million dollars go to the Home for Crippled Cats.

Reginald enlists the help of his friend, Dean Garrett, who proves to be a real business genius. He is also assisted by his valet, James."

On November 8, 1961 the Junior class presented "Mary's Big Secret" a comedy by Jay Tabbas. It was under the direction of Mr. David Steger and the student director, Linda Krauss and S. Baker.

There was a head character Mary, and was kidded about being "Mary's Little Lamb".

Lobellia "Mama" Bogtrotter decided to disinherit Mary. She even arranged to write her that she was leaving with a "big secret". Linda F. Werman was Mary's aunt and had to "write her" and Ada Smith was the "secret" at the same time which led to a lot of "fun" and hilarity.

Although the 1960-61 Basketball season was not too successful in the win-lost column, it was still a season to be remembered.

The Panthers started the season with a win over Springfield Local, but finished with the regular season winning only three ball games. Even though the team played some terrific ball, they would come out on the short end.

In the tournament, Delta was the underdog, but turned out to be the surprising team in the tournament. The Panthers downed Chesterfield and Pettisville to enter the semi-finals in single elimination play.

With only one game away from District they met the Fayette Eagles, and after putting up a big battle, they were defeated by three points, thus finishing the season with a 5-17 record.

Each year awards are given to those who earn them in athletics and other activities. Perhaps, however, one of the most deserving persons has not earned an award that would show his achievement. At this time the Del-Hi Staff would like to give special recognition to Phil Morr, statistician of the athletic teams and business manager of the Del-Hi.

During the past few years Phil has devoted every spare minute of time to the athletic teams. If devotion and desire would win a championship for a team, Phil would surely have enough to do it all by himself.

Although he has never gotten special recognition for this, Phil has gotten a special glow of gratitude, that from his fellow classmates and team members. They have realized how he has helped them and given him the thank and praise that he deserves. On behalf of everyone, Phil, we would like to wish you luck.
